

5. Songmakers Board Song 2015: Slip Sliding Away

chorus

Slip sliding away, slip sliding away

You know the nearer your destination, the more you slip sliding away

Verse 1

I know a man, he came from my hometown

He wore his passion for his woman like a thorny crown

He said my Sandy, I live in fear

My love for you's so overpowering, I'm afraid that I will disappear

chorus

I know a woman, who became a wife
These are the very words she uses to describe her life
She said a good day ain't got no pain
She said a bad day is when I lie in bed
And think of things that might have been

chorus

Whoah God only knows, God makes her plan
The information's unavailable to the mortal man
We're workin' our jobs, collect our pay
Believe we're gliding down the highway, when in fact we're slip sliding away

chorus

We have a club, that likes to sing songs
That tries to use music to do the right things, and not the wrong
To share our good feelings, not hide them inside,
And we're so glad, that you all came along, for the ride!

chorus repeats 2x
