

Sing With Us (tune of Lean on Me)

G C G D D7
Some days in our lives we all have pain We all have sorrow
G C G D7 G
But if you're in our club You know that there's a hoot tomorrow

[Chorus]

G C G
Sing with us, when you're not strong We'll be your friends
D D7
We'll help you sing along
G C G A7 D
For it won't be long 'Til we're gonna need Somebody to sing with

G C G D D7
Please bring us your voice We know some tunes you need to feel fine
G C G D7 G
For no one can sound as good alone as when we combine

[Chorus]

G C G D D7
If there is a load you have to bear Making you anxious
G C G D7 G
We're right up the road we'll share your load If you just call us

G C G D D7
So just call on Songmakers, when you're feeling low. We all need somebody to sing with

Singing might be the answer to bring back your glow We all need somebody to sing with

[Chorus] (with tag)

G C G A7 D
For it won't be long 'Til we're gonna need Somebody to sing with
