

Songmakers March (to the tune of "Saints go Marching In")

G
O when the Songmakers go into March
D7
When the Songmakers go into March
G G7 C Cm
I want to be in their number
G D7 G
When the Songmakers go into March!

And when the camp outs start in April
When the camp outs start in April
I want to be in Kenney Grove
When the camp outs start in April!

Before Topanga comes in May
Before Topanga comes in May
I'd better rehearse my number
Before Topanga comes in May

And when our picnic comes in June
I want to croon all afternoon
I want to sing and play in that yacht club
When our picnic comes in June!

For any time Songmakers play
On any night or any day
We always have such a good time
Cause that's the Songmakers way!
