

We Have A Club – Songmakers (tune of the Dreidel Song)

G

We Have A Club - Songmakers

D7

We formed it in the Spring.

When we were young and frisky,

G

Because we loved to sing!

*CHORUS* G

Song makers, makers, makers,

D7

We joined you in our prime;

We've sang and played for 60 years,

G

And still have a great time!

G

We Have A Club - Songmakers

D7

We joined it in our youth.

But now like old bugs bunny,

G

We've grown long in the tooth!

*CHORUS*

G

We joined with bulging biceps

D7

And a washboard abdomen.

But our middle has expanded,

G

As our hair has gotten thin!

*CHORUS*

G

We all had lovely bodies,

D7

With legs that were adored,

But when our legs got tired,

G

They put us ON THIS BOARD!

*CHORUS x 2 (pitch up & ritard at 2nd ending!)*
